There are no translations available at this moment. Thanks for your comprehension.

I would be grateful if you would pass on this information to anyone you think may be interested regarding a lectureship in Social/Cultural Anthropology with a special interest in Heritage. The geographical area of specialism is open: <http://www.trinitysaintdavid.ac.uk/en/humanresources/employmentopportunities/>

I am sorry the period of notice is so very short - the deadline is 9th July. We have only just been notified!
