There are no translations available at this moment. Thanks for your comprehension.

I am recruiting 1-2 additional graduate students for a fully-funding MA program in Anthropology at the University of Lethbridge. Our MA program is fieldwork-based, and prospective students interested in engaging in research in Amazonian or Andean Ecuador on themes related to indigeneity, race and ethnicity, the cultural politics of development, or agrarian history, among others, are welcome to contact me. Prospective students can contact me at:
patrick.wilson@uleth.ca

Thank you, in advance, for your help.
